The image shows four brass bushings of different sizes and a technical diagram of a bushing. The diagram labels the dimensions: A (height), B (outer diameter), and X (inner diameter). The bushings are arranged in a 2x2 grid, with a yellow and blue arrow pointing from the top-left bushing to the bottom-right bushing.

The diagram shows a cross-section of a bushing. The outer diameter is labeled B, the inner diameter is labeled X, and the height is labeled A. The bushing is shown in a perspective view, with the dimensions A, B, and X indicated by arrows and labels.
